

Dates 2021

25-29 October 2021

Target Audience

This course is for teachers of languages who wish to develop their proficiency in English. One will be addressed to a number of motivational activities to help students of English. Participants should have a minimum English language level corresponding to B2+ on the CFR.

Course Overview and Outcomes

The course will enable you to develop your English proficiency and improve your awareness of current methodology and materials. This will involve reviewing the principles and practices of English language teaching, looking at recent developments in teaching methodology. As a course participant you will have the opportunity to share your experience of teaching, examining the relationship between language, materials and methodology and reflecting on your practice.

Content

Advanced Language Materials and Methodology includes content drawn from some or all of the following areas:

- Language change
- Motivating learners
- Creativity in the classroom
- 21st century
- Multimedia materials
- Using and designing authentic tasks
- Activities to develop language knowledge and use
- Recent developments in methodology
- Helping learners become more autonomous

Specific course content comes from feedback you and other participants give us through pre-course questionnaires, identifying your needs and priorities.

We build time into the course for reflection, to consider how to adapt the content to your own professional context.

All NILE at ESE Malta courses involve a significant element of English language improvement and/or the development of language awareness

Trainers

NILE's highly experienced trainers are experts, not only in their fields, but also in working with teachers for continuing professional development.

Teaching approaches

We make courses practical and 'hands-on', with reference to relevant theory

Our classes are participant-centred and collaborative, designed to build knowledge and confidence

We use activities and tasks to help you apply the course content to your setting
