Professional Development Programmes / Language Training

Success when working in the educational sector depends increasingly upon good interpersonal skills, as well as fluency of speech, effectiveness of communication and accuracy in the English language. These practical training programmes cover the core communication skills in English required to function effectively.

The Fluency and English Language Development course is for those who need to generally improve their English. **The course is run at all levels from A1 to C1** and participants are allocated to a group / class at their respective level of English.

The Professional Communication Skills course is for educational staff who need to develop specific language and skills for meetings, emailing, telephoning, etc, as in, for example, EU Projects or inter-school meetings. Participants need to be at a minimum B1 level of English.
